To whom it may concern:

I am writing to you as a representative of Cub Scout Pack 218 from the Cub Scouts of America. We are the younger brother of the Boy Scouts of America and we promote the character development, spiritual growth, and personal achievement in young boys.

On February 26th, 2012 we will be having our annual pancake breakfast and silent auction to help raise funds for various expenses incurred by our pack throughout the year. The silent auction helps to support our pack with the finances needed to go camping, purchase awards for achievements, buy supplies for craft activities, and so much more. The auction is organized and run strictly by volunteers and the cub scouts themselves are actively involved in this event as well.

We are kindly asking for you to make our auction extra special through a donation that could be used as part of a gift basket for the nearly 200 families and friends who attend this pancake breakfast annually. Any donation would be greatly appreciated.

The cub scouts **THANK YOU** in advance for your kindness and generosity. Should you be able to make a donation, we have included our tax id/ non profit identification number for your accounting department. Please forward any donations to the address listed above in care of Cub Master Steven Sprunger before February 15th, or contact me personally by phone to make arrangements for pick-up.

Sincerely,

Steven Sprunger

To Whom it May Concern:

Cub Scout Pack 218 would like to extend a warm "Thank You". Your donation to our Pancake Breakfast and Silent Auction helped to make our event a big success.

We hope that you will continue to support Cub Scouts of America, the younger brother of The Boy Scouts.

Should you need a Cub Scout Tax ID for your records, the number is 23-7090636

Again, thank you from all of Cub Scout Pack 218. We look forward to supporting our Local Communities with our projects and community service. Thank you for giving our young men the opportunities to promote a better place to live.

Sincerely,

Steven Sprunger
